MISSION STATEMENT: Hillsboro Girls Softball Association is a non-profit youth sports organization dedicated to teaching softball fundamentals and life skills through good sportsmanship, leadership, positive coaching, and peer and parent communication. As a part of the Hillsboro community for several years, we strive to contribute by providing the best athletic learning and sharing environment to the families of Hillsboro and the surrounding areas. These objectives guide the process of winning - they are not the product of winning. It is our goal to prepare girls to learn and play the game of softball in a fun, healthy and safe environment. We emphasize the importance of respect for teammates, opponents, coaches and officials. We not only strive to teach game skills, but life skills, as well as building lasting relationships with good friends. We want every player's experience to lead her back to play year-after-year with HGSA.
